Jury Management Forum 2012

Dates: 31 August - 1 Sept 2012

Location: Federal Court Building, Sydney

This two day forum on Jury Management will enable participating judges to explore and develop more effective and efficient jury management practices.

The forum will develop a document for use in the participants' jurisdictions setting out the ideas canvassed and recommended by the forum.

The topics to be covered include:

- Communicating effectively with juries
- Effective post empanelment communication
- Dealing with issues during the trial
- Effectively delivering the charge
- Dealing with longer jury trials

Heads of jurisdiction have been invited you to nominate judges to participate who will be influential in their courts in developing practices to promote improved efficiency in the operation of the jury system.
